

MONSTERS, CHAOS, AND CONTROL

THE SYMBOLIC OPPOSITION OF THE DARKON EMPIRE IN THE TRUEFLOW MULTIVERSE

Abstract

This dissertation examines the role of monsters and chaotic entities within the TrueFlow Universe, as depicted in media associated with TrueFlow Force and its multiversal conflicts. Using philosophical, gaming, and mythological perspectives, this study explores how The Darkon Empire functions as both a literal and symbolic monstrous force that opposes order, intelligence, and progress as embodied by 最高 Venga and the TrueFlow Force.
